

**FIREWORKS PERMIT APPLICATION**

Please use this form to apply for a Fireworks Permit. Proof of current liability insurance issued by an insurance company in good standing with the Texas Insurance Commission must be provided and must cover personal injury or death and property damage, in an amount of at least \$300,000.00. The property where the fireworks will be discharged must be on private property of at least ½ acre in area.

The fireworks used may not exceed Fireworks 1.4G or be defined as not permissible under section 2154.003, Occupations Code, including bottle rockets or of a size not permitted by that section.

A confirmed water source and/or fire extinguisher must be on site.

By signing the application, you agree that all the above requirements have been met.
